Dear Mrs. Manley:

Just a short note to acknowledge the receipt of your letter dated June 2nd. Mr. Saperstein, at this writing is in New - York, and undoubtedly he has contacted you, and given you all of the information that you desired.

Last week, sent complete statements to Mr. Manley on all games we had arranged for your club out here in the middlewest, to Baltimore, and trust that he received this data in good shape.

Have contacted Dayton, and asked Mr. Parsons there to take care of hotel accomodations for your team, and am sure this will be taken care of all right.

All mats, including the one of "Mules" Suttles have been put to good use, as you will see when the team comes out this way.

Guess this about covers everything, except for the fact that your statistics were received from the Elias Agency. Hoping that your trip out this was proves successful, I am,

NS.

Very truly yours,

Norma Schweitzer
